

Creative Mindsets and Their Affective and Social Consequences: A Latent Class Approach

Puente-Díaz, Rogelio; Cavazos-Arroyo, Judith

Resumen. En dos estudios probamos la conceptualización de mentalidades creativas como clases latentes y examinamos varias consecuencias sociales y afectivas de la pertenencia a una clase. Los estudiantes de negocios completaron una batería de cuestionarios evaluando la identidad creativa personal, mentalidades creativas, comparaciones sociales, orgullo, gratitud, enojo y tristeza.

Abstract. In two studies, we tested the conceptualization of creative mindsets as latent classes, and examined several social and affective consequences of class membership. Business students completed a battery of questionnaires assessing creative personal identity, creative mindsets, social comparisons, pride, gratitude, anger, and sadness.
